

## Beech Class Half-term Homework

### Year 3 and 4:

Please continue to read regularly (at least 3 times)

### Year 4 only:

You have been doing so well with your daily times tables at home as well as in school. Thank you for all of your hard work. As we are getting closer to our Multiplication Tables Check (MTC), I'd like you to keep your skills sharp over the holidays.

I have assigned you an MTC assignment on EdShed. Please play this game at least once on the days listed below. Little and often is preferable to playing 7 games on one day as this spaced retrieval helps to keep your knowledge and skills in your long-term memory!

	Number of games played	Parent signature/ initials
Friday/ Weekend		
Monday		
Tuesday		
Wednesday		
Thursday		
Friday/ Weekend		
Monday (Inset day)		

Keep up the great work and have a lovely holiday!

Mrs Scott 😊
